

Some are Weatherwise, but Most are Otherwise

Award-winning Action News Jacksonville Chief Meteorologist, Mike Buresh will present an aviation-friendly discussion of weather patterns endemic to North Florida.

As pilots we need to better prepare for the unexpected. Follow along with Jason Schappert of MzeroA.com as he takes you inside the emergencies and shows you how the chain of an accident forms.

Directions: Jacksonville Airport Authority, Craig airport EAA hangar. If flying in please park at Sky Harbor. Follow Signs when entering airport. Free Parking will be provided

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
